The 25 Best Gifts for Skiers this Season

Nobody wants a keg of ranch or those eating pants from Stove Top for Christmas (OK maybe they *do*, but they're going to need to ski off those implications)! We've done the homework for you and made this list of must-have Christmas gifts for skiers and riders. The only "checking it twice" necessary is what to get yourself.

Many of the products listed below are available for purchase from our trusted affiliate partners at [evo](#), [Backcountry](#), [Moosejaw](#), [REI](#), [Patagonia](#), etc. and may be offered at a price that's discounted from what's listed here for Thanksgiving, Black Friday, Cyber Monday and beyond.

22. Roof Racks

Yakima FatCat 4 EVO Ski & Snowboard Mount: \$229 Carry up to four pairs of skis or two snowboards with this sleek mount from Yakima. Features include SKS locks, an aerodynamic design and large release buttons for easy use with gloves or mittens. The FatCat doesn't require tools to install and provides a universal mounting system that works with round, square or factory roof racks.
